

Dear Birth Mother,

We would like to begin by letting you know that we admire your strength for choosing life and considering adoption for your baby. We truly believe that adoption is a selfless and honorable choice that exemplifies the courage and love that you must have for your child!

We are so excited to become parents and will be honored and blessed to be chosen to love and raise a child. We have boundless love for each other that we want to share with a child, who we know will bring us so much more joy and make our family complete. We feel that adopting a child to grow our family is part of God's plan for us, and we know that, strengthened by our love and dedication to each other, we will be excellent parents. We hope that getting to know us will bring you peace of mind, knowing that a child brought into our family will be raised with support, encouragement, and an abundance of unconditional love!!!
