

## Maternity Case Manager

The Case Manager is responsible for linking maternity residents to a variety of opportunities/services. To meet their needs across all life domains, and coordinate the efforts of all external providers involved in resident's life and/or care so that the therapist's treatment plans are supported. Keeping the youth's best interest as the priority, monitoring the efficacy of adjunct/outside services and continually striving to enhance the efficacy of all services provided. The position requires strong written and verbal communication skills. Ability to work with a diverse client population, a desire to work as part of a team, a sense of humor, a working knowledge of community resources and a passion for assisting young mothers and their children.

### Minimum requirements

- At least 2 years of child welfare experience.
- Bachelor's degree in social work or related field.
- Full-time position with flexible schedule to meet the needs of program, including some evening work.

Preferred requirement include familiarity with the impact that serious emotional disturbance, trauma, abuse, chronic homelessness and family discord can have on youth and with the operationalization of the concept of resiliency.
